

Make a difference in our nursing float pool

Do something new every day as a nurse in our float pool while building your career at Cedars-Sinai.

Supporting multiple units not only expands your experience it also expands your earning potential. It's a win-win-win – Cedars-Sinai gains flexibility to satisfy patient load, you can earn more money, and our patients benefit from highly educated staff with interdisciplinary experience.

Requirements:

- California State RN License
- BCLS and ACLS certification
- PALS certification required for RNs floated to certain designated units
- Bachelor's Degree in Nursing strongly preferred
- Specialty Certification preferred
- 2+ years or more RN acute care experience
- Experience in two or more nursing specialty areas preferred (Adult Med/Surg/Tele/PCU, Adult ICU/PACU, Women's Services, NICU & PICU, or Emergency Services)
- Meets specialty-specific clinical competencies for assigned clinical nurse level and specialties.
- We are now hiring for both the CN II and CN III levels in the nursing float pool.

Employee referrals can earn you \$5000 (or more!)

Help us hire into the nursing float pool.

Nurses in our float pool will get exposure to many different disciplines while making a positive impact on the lives of a diverse patient population.

- Through the end of Sept., we're paying a special \$5000 referral bonus if we hire your referral into one of our nursing float pool positions.
- There's no limit on how many people you can refer. The more of your referrals we hire, the more you can earn!
- See the Employee Referral Program form on the careers site for details and restrictions. You must be a current employee to qualify for the referral bonus.

Getting your referral bonus is as easy as 1-2-3!

- 1 Send your referral the link below and ask them to apply.
- 2 Fill out the employee referral form on the careers website under Working Here > Employee Referrals.
- 3 Return the completed form to the HR office on the 7th floor of the Pacific Theatres building within 30 days after they've been hired.
